

GLOBAL HEALTH ELECTIVE REQUEST FORM FOR RESIDENTS

INFORMATION FOR APPLICANTS:

All applications for Global Health Electives must be approved by your Program Director and by your Department Chair. All applications must then be submitted to the Graduate Medical Education Office for review and approval. Please note that proposed experiences abroad must be consistent with regulations that may be mandated by the Residency Review Committee for your specialty. Please submit all application materials 4 MONTHS PRIOR to the start of the requested rotation.

A. Applications for international rotations must include the following:

- 1) Attestation by your Program Director or Faculty Mentor that the rotation has strong educational value with appropriate supervision.
- 2) A copy of the curriculum, with ACGME competency-based goals and objectives, must be included or attached to your application.
- 3) A description of your responsibilities on the rotation, both related to direct patient care, and otherwise, must be included in your application.

B. A Program Letter of Agreement (PLA) may be required between UCLA and the international partner institution, to include the following:

- 1) The international partner program or institution accepts responsibility for resident training, supervision, evaluation, and meeting ACGME regulations on resident duty hours.
- 2) The supervising physician at the partner institution must have education, skills and experience to provide appropriate supervision, with familiarity of the approved goals and objectives of the rotation.
- 3) Salary and benefits, if paid by UCLA, must be approved by GME Office.

C. After the rotation:

Each resident must provide his or her Program Director with a minimum of one evaluation at the end of the rotation. This must address the extent to which the resident has successfully met the competency-based goals and objectives of the rotation.

INSTRUCTIONS FOR SUBMISSION:

- Prior to submitting this application, please familiarize yourself with the information posted on the UCLA Center for World Health Global Health Pre-Travel Requirements link at:
<https://sites.google.com/site/uclaprograminglobalhealth>.

- In order for the Senior Associate Dean of Graduate Medical Education to grant approval for this rotation, the following documents must be submitted together:
