For faculty mentors:

Please sign this attestation stating that you agree to mentor the first year DGSOM student noted above on their global health research project. Please also review the following statements related to GSTTP mentorship and initial below. Thank you for your dedication to fostering future leaders in global health!

- I agree to serve as the Primary UCLA GSTTP mentor for the student indicated above.
- I will discuss my expectations with this student, and learn about her/his expectations, via regularly scheduled check-in meetings/calls, to be arranged based on student and mentor availability.
- I will help this student to formulate a detailed Project Statement, including a project scope and timeline that is feasible for this site, and a proposed budget and schedule for while the student is at the global host site.
- I agree to work with this student to ensure that IRB approvals are obtained both at UCLA and in the host country for this project.
- I acknowledge that the student’s mandatory pre-departure orientation with GHP will be held on **Friday, March 13, 2020**, and I will attend if available.
- I agree to provide mentorship during the pre-travel project preparation period, during the approximately 6 weeks the student spends at the global site (this may be from afar), and in the period upon their return as they prepare for the Josiah Brown Poster Fair, which will be held the morning of **Friday, July 24, 2020**.
- I will ensure that adequate mentorship is available to the student in the host country, and will check in regularly with the student and the local mentor while the student is away.
